- **Bespoke interior to your design**
- **Built to residential specification (BS3632)**
- **Gas combi central heating**
- **40 year BH&HPA licence agreement**

About High Close

High Close is a beautiful holiday home park, set in some of the most stunning landscape in the Lake District. Offering a tranquil and serene setting, our park is tucked away in Park Wood, Bassenthwaite, alongside a sparkling beck and is one of the Lake District's hidden gems.

Being surrounded by nature is one of the highlights of being at High Close. As well as having dark skies, perfect for stargazing, we also have an abundance of wildlife. Red squirrels, foxes, deer and badgers can be seen around the park and the wide array of bird life here makes it a bird watchers paradise. We pride ourselves on ensuring that the wildlife in the park continues to thrive.

We have 27 acres of woodland around the park and some beautiful natural landscapes. A well maintained recreational grassed area which is fantastic for children to play on or for adults to sit and relax and enjoy the wildflowers.
